The Board of Election Commissioners authorized mobile units to rove about the city in each ward commencing August 2 until the close of registration August 25, for the City Preliminary Election; and from September 15 to October 13, the close of registration, for the City Election.

Physically disabled: In accordance with the provisions of chapter 196 of the Acts of 1946, as amended, persons qualified to vote but unable to appear at a registration office because of a physical disability were examined in their homes or other places of confinement upon receipt of an application for such registration.

Supplementary registration of federal service personnel: Under the provisions of chapter 51, sections 50 and 51 of the General Laws, as amended by chapter 283 of the Acts of 1966, the time for such registration was extended to before 4 P.M. of the day preceding a Primary or Election. There were 14 such registrations in Boston.

### NUMBER OF VOTERS

At the State Election held November 3, 1970, the number of voters on the list was 274,178. The number of voters on the first list published by the Board was 240,899. From that time to the close of registration for the City Election there were added the names of 53,818 voters.

Included in this figure are the names of 5,739 voters who were restored to the voting list without registration, under the provisions of chapter 244 of the Acts of 1947. The number of voters on the day of the City Election, held on November 2, 1971, was 294,717, an increase of 20,539 over the number of voters on the list preceding the State Election. The number of voters on the final list was 294,728.

#### NOMINATION PAPERS, REFERENDUM AND RECOUNT PETITIONS

The Board received 4,958 nomination papers for the City Preliminary Election, on which 131,062 names were certified; 73 recount petitions for recounts of ballots cast, on which 944 names were certified; and 779 referendum petitions on which 19,632 names were certified. This makes a total of 5,810 papers, on which the names of 151,638 were certified.

#### SOUTH END PROJECT AREA COMMITTEE (SEPAC) ELECTION

The Board of Election Commissioners was ordered by a resolution passed by the Boston City Council on May 5, 1969, and approved by Hon. Kevin H. White, Mayor of Boston, on May 8, 1969, to conduct an election of nine Delegates at Large and twenty-eight District Delegates (two from each district), to serve on the South End Project Area Committee. This committee is to represent fourteen districts within an area delineated by the Boston Redevelopment Authority.

The Board of Election Commissioners divided the area into fourteen districts in compliance with the resolution passed by the Boston City Council.

In accordance with the resolution the current police list of the said area was recompiled into the fourteen respective districts and used as the voting list. In addition a person who was not police listed but who could exhibit evidence of a South End residency was allowed to vote on a paper ballot.

A total of 61 candidates declared their intentions for nomination to office: 14 candidates filed for Delegate at Large and 47 candidates filed for District Delegate. The

61 candidates submitted 82 nomination papers on which 2,985 names were certified. Fourteen candidates were certified for Delegate at Large and 47 candidates were certified for District Delegate.

The dates of June 27 and 28, 1971, were selected by the Board of Election Commissioners to hold the election. Also, the Board of Election Commissioners designated a polling place in each of the fourteen districts.

At this election 1,544 persons cast their votes.

#### SPECIAL MODEL NEIGHBORHOOD BOARD ELECTION

The Board of Election Commissioners was ordered by an ordinance passed by the Boston City Council on December 23, 1969, and approved by Hon. Kevin H. White, Mayor of Boston, on December 23, 1969, to conduct an election of eighteen Area Board Members (three from each area) to serve as the Model Neighborhood Board. This board is to represent six model neighborhood areas, within the model cities area by wards and precincts set forth in said ordinance, and following areas delineated by the Boston Redevelopment Authority, following the guidelines set by the federal government. Under the provisions of the ordinance a Special Election will be held in any Model City area where a vacancy occurs.

The Boston Election Commission designated a 1971 police listing and the 1970 voting list to be used as the voting list for each of the four respective areas where vacancies existed, in accordance with the ordinance.

A total of twelve candidates filed nomination petitions on which a total of 660 names were certified for the office of Area Board Member.

The date of the election was Tuesday, April 27, 1971. Also, the Board of Election Commissioners designated ten polling places in the four model city areas involved.

#### RECOUNTS

A recount of the votes cast in the City Preliminary Election for the office of City Councillor was held in Wards 1, 2, 3, 10, 13, 16, 18, 19, 20, 21, and 22; and for School Committeeman in Ward 18, commencing on Monday, September 27, and concluded on Wednesday, September 29, 1971.

## REVISION OF VOTING LIST

The names of 2,828 voters were stricken from the voting list by reason of death, removal from the city, and other causes.

## JURORS

The jury list prepared by the Board in 1971 contained 8,600 residents of Boston. During the time covered by this report 4,522 names were drawn for jury service.

## ABSENTEE VOTING

In accordance with chapter 123 of the Acts of 1966, regulating the method of processing and counting absentee ballots made it mandatory that after processing and examination of the affidavits in the central office is completed, the absentee ballots must be sent to the precinct polling places to be cast and counted; then the said count of absentee ballots cast had to be added to the count of votes cast by use of the voting machines, so that the precinct total could be recorded and reported at the precinct level.

Chapter 368 of the Acts of 1966, further regulating absentee voting, made it possible for a registered voter who would be absent from the city on the day of election, and who had no mailing address outside of Boston to which a ballot could be mailed and seasonably returned in time to be sent to the polling place before the closing of the polls on election day, to receive a ballot in hand and vote by such a ballot in the central office before he departed from the city.
